

# 1 Week Donation Drive

Toys, hygiene products, clothing, shoes, etc  
July 18 – July 22, 2022

**Sometime we come across things during clinical and want to put on our superhero capes.**

**Arnold Palmer has 5 children in need of our kindness from our hearts. The children are a 9 month old, twin 2 year olds girls, 4 and 5 year old boys. On the behalf of LMSNA we have decided to come together and help out; we just ask that everything is new in its original packaging. The box will be located in the library and will be collected Friday @2pm to be delivered this coming weekend. Anything you can think of is needed; we appreciate what ever you can do.**
